To Whom It May Concern,

Skwłāx te Secwepemcúlecw engaged Tracy Smith of Detailed Inspections, to provide housing inspections and general building assessments. The work was completed on schedule, and the resulting reports were thorough, well prepared, and invaluable to our Housing Maintenance team. They helped us identify and prioritize necessary repairs before our new home warranty periods expired.

We were very satisfied with the quality of Tracy's work, professionalism, and attention to detail throughout the project. We would not hesitate to recommend Detailed Inspections for housing inspections, building assessments, and related consulting services.

Sincerely,

Emily Everson,
Housing Manager
